Curriculum Vitae

Isabel Naylor (UK) has worked in the field of European policy research and project management since 1990, first in her native UK and then in Austria. She has extensive knowledge of the European Social Fund and the European Regional Development Fund and has been involved in evaluations of both. She was consultant to the Austrian Public Employment Service for many years in the field of ESF programming and training for local and regional PES officials. She also lectured on various aspects of EU policy. She is currently involved in the on-going evaluation of Article 6 of the ESF and in the ex-post evaluation of Cohesion policy programmes.
